a. eat

b. it

4. /stri:t/

a. stress

b. street

5. /'lɪt,əl/

a. little

b. litter

Kelly Clarkson – Stronger Lyrics

You know the bed feels warmer
Sleeping here alone
You know I dream color
And do the things I want!

You think you've got the best of me
Think you've had enough the last laugh
Bet you think that everything good
gone
Think you left me broken down
Think that I'd come running back
Baby, you don't know me, 'cause you're
dead wrong

Chorus:

What doesn't you makes you
stronger
Stand a little taller
Doesn't I'm lonely when I'm alone
What doesn't kill you makes you fighter
Footsteps even lighter
Doesn't mean I'm over 'cause you're gone

Bridge:

What doesn't kill you makes you stronger,
stronger
Just me, myself and I
What doesn't kill you makes you stronger
Stand a taller
Doesn't mean I'm lonely when I'm alone

You heard that I was starting over
someone new
They told you I was moving on, over you
You didn't think that I'd come back
I'd come back swinging
You tried to break me, but you see

Chorus:

What doesn't you makes you
stronger
Stand a little taller
Doesn't I'm lonely when I'm alone
What doesn't kill you makes you fighter
Footsteps even lighter
Doesn't mean I'm over 'cause you're gone

Bridge:

What doesn't kill you makes you stronger,
stronger
Just me, myself and I
What doesn't kill you makes you stronger
Stand a taller
Doesn't mean I'm lonely when I'm alone

Thanks to you I got a new thing started
Thanks to you I'm not the broken-hearted
Thanks to you I'm finally thinking 'bout me
You know in the end the day you left is
just my beginning
..... the end
